

# DENTAL DOUBT IS CLEANED UP

BY BEN MIDDLETON  
ben@tindlenews.co.uk

NHS dentist places will not be available in Honiton until December, *Pulman's View from Honiton* can reveal.

Confusion has surrounded the provision of new NHS dentist places in the town ever since the Devon Primary Care Trust (PCT) released a statement last week.

The statement said that 4,000 NHS places would be made available in Honiton at the end of October, and in Ottery St Mary sometime next year - approximately 2,000 places would be up for grabs in each town.

The PCT is using money provided by central government to extend NHS dental services across the county. Under the scheme a new practice will open at Honiton Hospital and an existing dental practice in the town will take on more patients.

However, this newspaper has received a call from an employee at the Devon dental helpline and she claimed that she didn't know anything about the extra places being made available.

The employee, who did not want to be named, said: "Can you tell me where you got the information from?"

"We have been inundated with calls from people but I don't know anything about the new places. It makes us look like idiots."

A spokesman for Devon PCT confirmed that staff at the dental helpline had received all the facts before the statement was released.

He said: "We communicated to the Devon dental helpline before we sent out the press releases.

"The Honiton practice is now due to open in December. It was set to open in October but due to a delay in the process that has been pushed back until December.

"Any patients that have phoned the dental helpline will be kept on a waiting list and they will receive a letter with more information nearer to December.

"All staff on the helpline have been fully briefed and were given all the details.

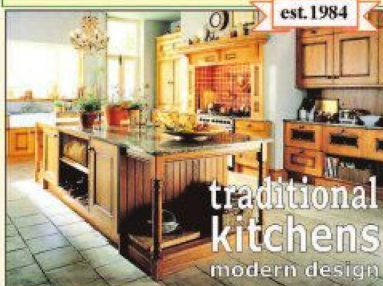

"I think the confusion may have come from people reading the statement and thinking there were 4,000 places being made available in Honiton."

# Group aims to stop supermarket plans

BY BEN MIDDLETON  
ben@hindlenews.co.uk

UP to half of Ottery St Mary's town centre shops could close if Tesco gets permission to open a store on the edge of the town.

That is the view of an Ottery campaign group which is hoping to stop the application getting the go-ahead.

Helen Collinson, of Sustainable Ottery, said: "Ask our many visitors what they like about Ottery and the vast majority will tell you it's our variety of independent shops and our unique town centre."

"But these are the very features which could be destroyed if a planning application for a Tesco store on the old factory site is approved. We want to see the old factory site developed as much as anyone else but we want it developed in a way that will benefit the town centre and our community, not destroy it."

Sustainable Ottery members have been out and about delivering leaflets that advise residents on how they can object to Tesco's plans before the deadline of Friday, November 6th.

The group has also printed a number of yellow 'No to Tesco' posters which will appear in shop windows around the town.

Mrs Collinson added: "Tesco claims it will create local

employment but these claims are greatly exaggerated when one considers that up to 54 full and part time jobs could be lost as a result of local shop closures.

"Moreover the vast majority of the jobs in the Tesco store would be part time and some would require anti-social working hours. Consequently they would be of little compensation to the 33 people who could lose their full time jobs and independent businesses."

However, a spokesman for Tesco has countered the claims and said: "Sustainable Ottery's claims are contrary to the experience of towns which have welcomed a Tesco. Nationally, we have carried out research into the impact of our stores on town centre areas and research by the University of Southampton also shows that there is not the adverse impact that some people fear."

"In addition, Ottery residents may well remember that at our public consultation we played a DVD which featured members from the Chamber of Commerce in Axminster and the arrival of Tesco has had a positive impact on the town."

"Research by East Devon District Council in their retail study in April 2008 showed that 90 percent of Ottery residents' bulk food shopping is done outside the town. Our proposed food store will help to reduce that

figure and allow linked trips so that more money is spent in the town centre."

"In Ottery, many shops have already closed for a variety of reasons and in the current economic climate many other shops are struggling. We believe a Tesco store would help more to survive and Ottery town centre to grow stronger and thrive again."

"Our proposed store is a new concept which is designed to complement the existing offer in the town, and will not have specialist services such as a butcher."

"At our consultation 68 percent of people voted in favour of our proposals and only 32 percent were opposed. Many commented that they would welcome a development on the site to improve what is at present a very unattractive entrance to the town."

"Consumers are very wise when making choices about where to shop. Those who want to support Ottery's excellent local shops will continue to do so, and our proposed store will offer people more choice within Ottery."

A special meeting will take place on Friday, October 30th at 7pm at The Institute, Yonder Street, when the application will be considered. Plans for the store are currently on show this week in the council chambers.

## Police on lookout for stolen trailer

POLICE in Ottery St Mary are on the lookout for a trailer that was stolen from Fluxton, just outside the town.

Anyone with information is asked to contact police on 08452 777444 quoting crime number KO/09/728.

## Shops asked to be aware of egg sales

IN a bid to combat anti-social behaviour during Hallowe'en, shop keepers and parents have been contacted by the Community Safety Partnership in east Devon.

The partnership has sent letters via schools to parents and carers to advise children not to throw eggs and flour and to supervise any trick or treat activities.

Shop keepers are being asked to be on their guard when selling eggs and flour.

The partnership is also writing to fireworks retailers asking them not to sell fireworks to anyone under 18.

Gerry Moore, community safety and antisocial behaviour coordinator for east Devon, said: "We have worked with parents, the police and retailers for the last six years at this time of year, and as a result the number of incidents of antisocial behaviour has shown no increase and in some years has actually reduced across east Devon.

"We must continue working together to make everyone in the community feel safe and free from worry about this kind of nuisance behaviour."

## Firefighters rescue pair

FIREFIGHTERS in Honiton were called to help release two people who were stuck in a lift at a shop in the town.

The incident took place just before 8.30am on Saturday, October 24th.

Small tools were used to release the stranded people.

# Alleged sex attack victim is charged

BY BEN MIDDLETON  
ben@tindlenews.co.uk

THE victim of an alleged sexual assault has been charged with wasting police time.

Back in March a 27-year-old man from Exeter claimed he was bundled into the back of a van and subjected to a ten minute ordeal. The incident was said to have taken place on A375 Sidmouth Road, near

Honiton.

A major investigation was launched and crime profilers from around the country were drafted in to help.

The A375 was closed for more than 20 hours as forensic officers searched for clues. Police released two e-fits of alleged suspects that they wanted to track down in connection with the case.

However, the alleged victim has now been charged with wasting police time and further

charged with perverting the course of justice. He was remanded in custody and will appear before Exeter Crown Court on Tuesday, November 10th.

A spokesman for the police said: "We can now state that, following extensive enquiries we have charged a man, understood to be the victim of crime, with wasting police time.

"He was additionally charged with perverting the course of justice and will appear at Exeter Crown Court next month."

# BUNGALOW DOORS REOPEN CAMPAIGN

BY BEN MIDDLETON  
ben@tindlenews.co.uk

A CAMPAIGN to reopen The Bungalow, Honiton, as soon as possible has been launched by Neil Parish and Peter Halse.

As previously reported in this newspaper, services offered by The Bungalow have been temporarily suspended since March this year.

The unit provides specialist dementia care to residents from

Honiton and the surrounding area.

Mr Parish, the Tiverton and Honiton Conservative Parliamentary Candidate, and town and district councillor Mr Halse, are said to be working closely with Angela Browning MP.

The trio is putting pressure on the Devon Partnership Trust to reconsider their position and to consult with the community before they decide on the future of the specialist unit.

Mr Parish said: "We have been very

fortunate recently to have had a new surgery built in Honiton to meet the increasing demands of a growing population.

"However, with the life expectancy of people expected to go up cases of dementia are only going to increase. That is why it would be a retrograde step to close The Bungalow facility.

"Many carers with relatives who are suffering from dementia have been able to take a respite within The Bungalow's facilities.

"The Devon Partnership Trust has said that alternative care can be provided in the community. This does not work. Carers need respite if they are to be able to continue the fantastic work they do.

"The trust has also said that patients can go to Exmouth for care. But this is too far away from Honiton and difficult for elderly carers to visit relatives." The campaign has been welcomed by other members of Honiton Town Council.

## Trick or treaters asked to respect

POLICE across east Devon have launched an initiative to ensure that no tricks are played on vulnerable residents this Hallowe'en.

The campaign called 'Sorry, No Trick, No Treat, No Thanks' encourages members of the public who do not want to be bothered by trick or treaters to cut out a poster and place it in the front door or window of their homes.

Bob Bunney, crime reduction advisor, said: "We are not trying to

spoil the fun of Hallowe'en but we would like trick or treaters to recognise that some people, particularly if elderly or vulnerable, might be distressed by strangers knocking at their door during the evening.

"We ask all trick or treaters to respect their wishes and not visit homes where the poster is displayed."

If you would like one of the posters contact your local neighbourhood station.

# CARNIVAL'S PROFITS UP

## PROFITS from this year's Honiton carnival are up.

The total amount was not known at the time of going to press but the organisers have said it was more than last year. Thousands of people packed the streets of Honiton as the carnival procession made its way through the town.

The secretary of Honiton Carnival Club, Karen Wilson, said: "It was very busy in town which is nice to see. Organisation wise it went really well. We raised slightly more than last year which is a bonus as well."

"A lot of local clubs and groups got involved as well and there were lots of people out on the streets collecting money. Everyone made an effort and it was very pleasing to see."

"We had lots of majorettes as well."

# FAMILY HISTORY DAY TOP CAPACITY

A FAMILY history workshop at Axminster Library operated at maximum capacity.

All six places available were booked up by people keen to dig into their family history.

The workshop was led by staff from Westcountry Studies Library and had been billed as an event for people interested in researching their family history using online resources.

Those in charge were Hilary Elliott and Lucy Browne.

Hilary explained: "We are hoping to get them started on their family history."

"We show them how to use various [web]sites on the computer and what other

resources there are."

County council libraries gauge interest and can then request the services of Westcountry Studies Library for workshops like these.

Hilary said they have already visited libraries in Honiton and Seaton, for example, and added the number of people they can accommodate is governed by the number of computers available at the respective libraries.

One of those who attended was Pat Powell from Axminster. She hails from Essex and tried to find out more about the family on her mother's side.

She had just started when Pulman's View visited, so the outcome of her efforts were not known at the time.

## No need for bad manners

THOSE who read this column a few months ago may remember me talking of how, as I approach The Big 3-0 at the speed of light (it seems), I am becoming more calm and collected in my wiser years.

Forget that. It all went hurtling out of the window not so long after when I nearly lost the plot to Country Lane Rage.

Without praising myself too much (I am actually quite a modest person — somewhat unusual for a newspaper editor) I would like to think I am quite a good driver.

I passed my HGV test five years ago — whilst wearing four-inch stilettoes, I might note — add to that that I ride my horse along country lanes and roads, making me, I would hope, a fairly careful and competent driver, one who is considerate to other road users, be it on wheels, foot or hoof.

Now these lovely small towns and villages are tricky to drive through at times, admittedly, some without proper road markings and the like but that is all part of the charm of this stunning part of the world.

However, it can be a bit of a pain and more so, I am aware, for lorry drivers. Thus said, it is no reason to lose one's manners and this is my message to the driver I happened across in Colyton town centre a while back.

There I was on the main street, indicating (a new concept to some, it seems) to turn right into a side road. Out of said side road was poking a rather large lorry. Not indicating. Nor was it pointing in any specific direction to make it obvious which way the driver wanted to turn.

So there we sat, with cars coming from the other direction also looking at the driver wondering what to do. The piece of road we were all sat on is a particular tricky bit with a sharp bend into town from one side and a chicane to slow traffic on the other.

By this time cars had begun to queue behind myself, the car from the other direction and the lorry itself.

In a small town or village it does not take much to cause quite a traffic congestion which, in turn, can easily cause problems for other road users and pedestrians. It was late afternoon so there were youngsters milling about as well as elderly people, creating a perfect situation for an accident of some kind.

Still the driver just sat there not indicating or letting anyone know which way he intended manoeuvring.

Eventually, the lorry driver sprang to life, flinging his arms about, looking cross and shouting something in various directions. I assumed from this little outburst that the 'gentleman' wished to turn right where I and now a list of other cars were in his way.

Now it had been clear of his intentions, we all reversed back so that the huffy, puffy driver could get out.

Although he was in a strop, due to the fact of his enormous vehicle, the driver had no option but to drive past us all very slowly.

My better nature told me to ignore him but the beast inside thought better of it so I wound down my window.

As his window came slowly past mine, I smiled sweetly at him and remarked: "There are these marvellous inventions to which you have full use on your vehicle called indicators. It would be so much more helpful if you could see fit to use them." Back up went my window, my face still smiling, and we all drove on.

I would never condone aggressive behaviour on the road and, although I was not aggressive in any way, I admit to being highly sarcastic. But he had made me so cross that he had caused such chaos to everyone around for no apparent reason apart from that he could not be bothered to use his indicators.

An indication (all puns intended), perhaps, that I am not after all the calm and collective type I am aspiring to be!

# Extension of pothole fix pledge

BY ANDERS LARSSON  
[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

A LOCAL authority is extending a pothole repair pilot scheme to Honiton, Axminster, Seaton and Sidmouth.

The pilot scheme came about because of increased repair demand caused by the severe weather last winter.

It was introduced by Devon County Council in Ottery St Mary, Tiverton, Crediton and Cullompton — and the pledge was to repair potholes within seven working days of them being identified.

Between February 2nd and March 16th this year, almost 6,500 potholes were patched, compared with about 2,300 during the corresponding period the previous year.

Since the beginning of the year, more than 36,000 defects have been fixed after being identified through a combination of reports from the public and planned safety inspections.

This is already nearly double the amount found during a 'normal' year, with more than two months left to go.

Devon County Council's contractor, SWH, introduced the two-stage pilot system at the end of June.

In short, temporary repairs are made within seven working days, and repairs are left clearly marked as temporary with a red T.

They are then included in the on-going planned programme of work to undergo permanent repair, normally within one month, at no additional cost.

Councillor Stuart Hughes, Devon County Council member for Highways and Transportation, said: "We don't want emergency repairs being made and then find we have to go back once or twice to fix them again. "That just ends up costing more money and we want to make sure we get it right the first time."

"This trial is allowing us to respond more rapidly to ensure our roads remain safe, and then the permanent repairs can be co-ordinated with other scheduled highway works. The initial feedback from the pilot is that it has resulted in more efficient working and it is minimising delays to motorists."

## Rewarding award

A PUB in Honiton is raising a glass to its recent success at the annual Taste of the West Awards.

The Holt, High Street, won gold in the Best Gastropub in Devon category. It will now go forward to represent the county in the regional finals which are set to be held later this autumn.

The overall title of Best Gastropub in the South West will be announced in December.

Angus McCaig, of The Holt, said: "We had no idea we'd even been judged for this award, so to win it so conclusively is a fantastic feeling. Running a pub is extremely hard work but it's also a very rewarding experience."

## Village crown down to team

**HEMYOCK has been crowned Calor Devon Village of the Year 2009.**

On Thursday, October 21st, representatives from the village received their awards from the Community Council of Devon.

Collecting the prizes on behalf of Hemyock was local baptist pastor Steven Reed and Heather Stallard, chairman of the parish council.

Mr Reed said: "The unique qualities of our lovely community were clear to the judges. Hemyock impressed them as a forward thinking and self sufficient

community represented by our many clubs, activities and facilities for all ages."

Mrs Stallard said: "Winning the competition was entirely representative of a team effort."

David Kinross, competition organiser on behalf of the Community Council of Devon, added: "Our congratulations go to all the villages in this year's competition. We were very impressed by the standard of the villages and each village demonstrated something outstanding and we were delighted to be able to recognise these qualities."

## Green plan drives lights out on area car parking

BY BEN MIDDLETON  
ben@tindlenews.co.uk

**EAST Devon District Council (EDDC) will be turning out the lights at most of its car parks in a bid to save money and the environment.**

From Wednesday, the lighting that normally stays on throughout the hours of darkness will be switched off from 11pm in the evenings. The lights will come back on at 6am and remain lit until full daylight arrives.

According to the district council the move has been instigated following a successful trial carried out at car parks in Ottery St Mary.

A spokesman for EDDC said: "Most of EDDC's car parks will next week cease to be lit throughout the sleeping hours of the night in a move to save cash and reduce the council's carbon footprint."

"A few of the district's car parks have never been lit at night and these will obviously not be affected by the change

"In all, 39 car parks will be part of the late evening switch-off.

"The move follows a trial in the Land of Canaan and Hind Street car parks in Ottery St Mary, which has been running since November 2008.

"This led to a decision to turn off all EDDC car park lighting between 11pm and 6am to reduce utility bills and to make a small impression on the carbon emissions caused by electricity usage."

## Inspection of convent site

**PLANNERS are set to inspect the site of a controversial development in Ottery St Mary.**

Officers from East Devon District Council discussed the plans to convert an acre of land at the Marist Covent into four townhouses, eight apartments, a shop and an office during Tuesday night's (October 20th) development management committee meeting. They will inspect the grounds on Friday, October 30th.

The development has caused widespread uproar from residents in the town and Ottery town councillors are raging over the district council's decision not to ask Sea Valley Properties for a Section 106 agreement to be included as part of the scheme.

Now town councillors have pledged to contact MP for Ottery Angela Browning over the issue.

A representative from Sea Valley has defended the bid and added that the company had taken the concerns of residents into consideration.

## Life in the slow worm, it seems

**INTERACTION with readers is always of value, if only to convince me that someone does actually read my column!**

Recently I bemoaned the apparent dearth of slow worms, the legless lizards which suffer from the disadvantage of a quite misleading name. Slow they may be, but not that slow; worms they are not.

Now whilst a hedged bank in my garden, set with rocks, has hitherto always held a modest population of these reptiles, none have been seen for a year or two and, furthermore, I have only seen one grass snake in recent months. This last was, admittedly, a large adult swimming in my pond in search of frogs and newts but it has not been seen since.

However, Graham Salmon, from Smeatharpe, high in the Blackdown Hills, has emailed me to say that he has enjoyed several sightings of young grass snakes this summer, while he usually finds slow worms sheltering under a small section of corrugated iron, whilst lizards are spotted fairly frequently.

This is enormously encouraging and shows that in some areas at least local populations of reptiles are still thriving.

Of course, all three species of reptile are secretive and do not choose the company of man so it is likely that there are far more slow worms, grass snakes and lizards than are generally supposed.

On an avian note I have literally just had a brief encounter with a large hen sparrowhawk.

While walking past my aviary, full of finches, doves and quail, a spar dashed in to try and snatch a bird through the wire, spotted me and took evasive action.

I stood there for a few moments as the terrified birds fluttered in panic and then, to my amazement the sparrowhawk attacked again, this time landing on the roof of the aviary and no more than a yard away. She turned, glared at me with cold yellow eyes and then sped off, mobbed by a gang of rooks.

Attacks from this hawk take place on a regular basis and so far she has managed to kill four or five birds, snatching each with a claw through the wire and then literally eating the victim alive.

One cannot blame the hawk as she is merely following her instinct to snatch a meal whenever she sees a likely opportunity.

On a more cheerful note, I see that the Dorset Wildlife Trust is seeking volunteers to take part in work parties at Lorton Meadows Visitor Centre on two Wednesdays in November, the 4th and the 18th.

Help is needed to restore habitats for wildlife on the nature reserve and will include clearing weeds from the tree nursery, hedge laying and scrub clearance. As much help as possible is required and volunteers will be welcome to return to see how their efforts have benefited wildlife.

All tools, glove and drinks will be supplied but bring your own lunch. Warm, waterproof clothing and stout boots are recommended.

The operation will take place from 10.30am to 3pm but no unaccompanied children will be allowed. As a result of construction of the Weymouth Relief Road, volunteers are advised to phone 01305 816546 to confirm that the centre is open.

There will also be a series of Christmas coffee mornings, embellished with goods stalls and refreshments on several dates and at different venues in December.

The first event is on December 5th at the Memorial Hall, Sturminster Newton, from 10.30am to 12.30; the next on December 12th at Lindens, Gough Close, also Sturminster Newton; the next on the 14th at Harman's Cross Village Hall, Swanage, and the last on the 21st at the village hall, Thorncombe, Chard.

## Lone parents can give kids as good a life

**EDITOR** — I would like to respond to the letter in *Pulman's View* (October 6th), Best Start for Kids is Married Parents by M J Price-Alexander.

Do I take it from the letter that lone parents cannot bring up kids as good as married parents? If this is the case I speak as a lone parent for 20 years, and, am sure, on behalf of others in Honiton, when I say that being a lone parent is a long and lonely road.

We give up our own lives and put our kids first in our thinking. We have to be a mother and father to them at all times. We don't always get it right but tell me how many married parents get it right all the time?

May I suggest M J Price-Alexander comes down from Luppitt and sees for himself the day-to-day running of a lone parent and the hard work and care they give to their kids, thus giving them the best start in life!

Married parents staying together for the sake of their kids is a recipe for disaster and I now know this to be true. Over the years I have found a lot of stigma attached to lone parents and their kids and your letter only adds to this. May I suggest before you write your next letter you do your homework on lone parents and not just married ones.

# Save the building and the spirit of the town's youth

**EDITOR** — Just for a moment, I want you to picture a girl just turned 13, knees curled up to her chest with her arms wrapped around them tightly, sitting in the dark. Suddenly the wardrobe door opens, and her mother crouches down next to her, puts her hand on her knee and says: "You're scared about leaving, aren't you?"

Then come the shrieks, wails and cries of the girl asking, even begging, not to leave the city... or even the wardrobe. The next day the wardrobe is in the removal van, the engine starts, and in tow are two cars containing three adults, three children and two somewhat grumpy teenagers with a car-phobic (not to mention flatulent) setter shoved on their lap. Roughly four hours later, this 13-year-old city girl finally arrived in

Seaton.

Now of course, being new in a town so vastly different from where she previously lived was somewhat daunting. She started to make one or two friends at school, but was still not settled. There was no cinema, no bowling alley, and her friends were over 180 miles away, she hated it.

One night she was invited to a roller disco at the local youth club. Even though she could barely skate, she decided to give it a go... at least it was something to do. To her delight it turned out that she not only didn't have to skate, but she could do a whole multitude of things such as play pool, computer games, grab a Pot Noodle at the bar or simply just go upstairs and hang out on the sofas. She never looked back, and each week she spent there, she was able to meet

new people and make lifelong friends.

It's been 10 years since I moved down here, and Seaton has been through a lot of changes, including the loss of that youth centre. With Grove Zero, I tried to recreate some of my experiences at the centre for the next generation of teens, and help in some way to fill the hole the loss created.

Just to prove a point, at our peak, over 200 young people came through our doors every week. However, our numbers decreased dramatically the following year, and we were getting just 30-70 a week. You may be wondering why, but the simple answer is that even with the best intentions, a disco in a Niteclub, with no flexibility for focused youth activities cannot sustain the level of interest needed. Without the facilities for any specialised youth provision,

this generation, and those who follow, will suffer for the mistake EDDC will make if they allow that building to be torn down, and not replaced.

I can honestly say that if it were not for the hard work and dedication of the people who ran Seaton Youth Centre, I would not be the person I am today. EDDC, do not deny Seaton's young people the chance to live, to learn and achieve their true potential... otherwise Seaton will die along with the spirit of its deprived youth.

# I too have had a visit from a moorhen

**EDITOR** — With reference to *Country Scene* in *Pulman's View* (September 22nd) I too have had a visit from a moorhen.

This one being alive. He was seen swimming around in our garden pond

before moving on. As there are no lakes or rivers at the top of Beer Road I also wondered where he had come from.

I have read interest in this column for swallows and martins. I saw a

massive gathering of them over Axmouth's harbour on September 12th. There was also a steady trickle of hundreds per day coming over our garden.

The last noticeable group being on

September 27th. I have never seen so many it must have been a good year for them.

## Won't return

**EDITOR** — After a recent holiday in Seaton, one of the many in recent years, I don't honestly know if we will ever be coming back as I feel there are so many things going wrong with the town.

The holiday village has gone, less visitors there. Tesco, no! Woolworths gone. Tell me, who coming on holiday wants to look in a carpet shop — the answer nobody, they do that at home.

Winston's Bar closed. Green Dragon Antiques, one of my more favourite shops in Seaton, going, as have other shops. Me, my wife and grandson, aged two-and-a-half, paid £24 for two portions of fish and chips and sausage and chips in a Seaton chip shop, rip off or what?

We stayed at Axevale Caravan Park, one of the brighter spots of Seaton, and always enjoyable. But the state of the footpath there down the back to Hillymead and the churchyard to the Underfleet was the worst I have ever come across for dog mess. With a very small boy not having been walking long it was an absolute disgrace. The dog owners — they know who they are — should be ashamed. Somehow I don't think we will ever be back, Seaton's loss.

## Slow worms

**EDITOR** — In response to the recent query in Tony Jackson's *Country Scene* column, I am pleased to say that slow worms have been observed in my garden this year.

They were seen slithering into the pond, across the grass on an expedition and one emerging from a gutter being mended! The garden has been allowed to grow into a sanctuary for wildlife over 20 years, perhaps they like it. We did have a tree creeper a few years ago but I have never seen it since.

## Town poem

**EDITOR** — I submit this poem following the recent furore in Seaton.

*Let the Voters Have Their Say!  
This whole world is going crazy  
'Cos it's run by crazy folk  
But the way some people run our town*

*Is gone beyond a joke!  
Elected by the 'people' they purport to serve*

*They ignore the public utterly.  
(Where do they get the nerve?)*

*They plan to spend our money in such extravagance, you'd wonder*

*Who hatched this added stratagem  
— Whose is this blighted blunder:*

*Our money (which we haven't got)  
No public consultation!*

*For a pile of rotting 'tommy rot', to be our ruin!*

*We have to ask some questions (They cannot be ignored!)*

*And one or two suggestions, and a friendly little word*

*One: What is wrong with our Town Hall?*

*The place was built to last*

*Two: Why think about a move at all*

*It's served well through our past*

*A purpose built new Civic Centre might elicit some support*

*But this 'off the wall' wild venture!  
Would be selling Seaton short!*

*Three: Why no public airing?  
Feelings running pretty strong!*

*Seems like someone isn't caring —*

*— You serve the people right or wrong!*

*Y'know we still recall the 'brainstorm' of the seafront roundabout*

*That weird insult shapeless nonform made the whole of Seaton shout!*

*Then the voters showed their feelings at the waste of public cash*

*At the Council's crazy dealings Be advised Don't be so rash!*

*Hold a public town hall forum — there is no other way*

*You'll have all Seaton as your quorum. Let the voters have their say!*

*If not now some other day!*

# EDDC chief clarifies Tesco planning issues

**EDITOR** — The Tesco Planning Application at Seaton.

I wonder if I might be afforded the opportunity through your letters page of clarifying the fundamental issues arising from the recent Tesco planning application at Seaton?

When in Seaton, the most frequent comment I have heard over the years has been: "When is something going to be done about the old holiday park site?" Friends and family who have enjoyed taking the tram to Colyton have almost unanimously commented that the ride was lovely but for the diversion around the dilapidated holiday park site.

No doubt this is why before a planning application was ever received the majority of interested parties be they councillors, businesses or others with an interest in the future of Seaton had agreed that the priority area for regeneration in the town had to be the old holiday park site.

Based on this consensus in 2004, the council commissioned a development brief for this area and gave publicity to its efforts to ensure regeneration of the town, and it was undoubtedly on the back of this that eventually Tesco

spotted a market opportunity to purchase the land in question.

Studies had shown that many people in Seaton did their shopping outside of the town.

The council had been speaking to Sainsbury's when the land was owned by Liatri Holdings Ltd and it appeared that Sainsbury's was going to purchase the land.

For whatever reason, Sainsbury's lost out to Tesco, and Tesco purchased all of the Liatri Holdings Ltd. Quite why any other supermarket operator chose not to do so when the opportunity was available is not clear. Having bought the land, Tesco then worked up its planning application for formal submission to EDDC.

Noting that Tesco had perhaps stolen a march on them, Sainsbury's also decided to work up its own planning application but on land that it did not own (the current car park site) and indeed land which the district council was unable to confirm would actually be sold to it.

If a decision had been taken to grant Sainsbury's its planning application, the district council would have had to have placed the land on the open

market and there would have been no guarantee that a rival supermarket operator might not have outbid Sainsbury's in its pursuit of the land.

It is at this point where there appears to be significant misunderstandings as to what the public can or can not achieve in raising objections through the planning system.

All views expressed are considered but they can only legally be taken into account where they raise material planning considerations.

Sheer force of numbers expressing a preference for a particular supermarket operator, although interesting, are unable to sway the proper legal application of planning law and policy.

I do believe that those within the community who seek to portray this as an example of EDDC not listening are doing your readers a positive disservice. They are being misleading and unhelpful.

So far as EDDC is concerned, it does not have a preferred supermarket operator.

What it does have at heart is the best interests of Seaton and that is why its

officers and members chose a scheme that not only meets planning criteria but that they sincerely believe gives Seaton the best possible chance of a vibrant future.

There is a long way to go before the Tesco planning application can be fully implemented as a further planning decision still has to be taken on how Tesco plans to raise the levels of the holiday park sites. This is a matter that EDDC will have to consider in due course.

If it does get to a stage where the site can be developed then it will help bring forward other developments that the local community has said it wanted to see such as the visitor centre, a cycle hub-terminus, a town manager and public art.

All at the district council are working towards the regeneration of Seaton and the aspiration that it can truly fulfil its potential as one of the best locations on the Jurassic coast.

In doing so the district council has to carry out its planning role properly and this it is seeking to do.

## Seaton SOS

**EDITOR** — This poem came to me a couple of evenings ago as I was thinking about our lovely little town and I wanted to share it with you and hopefully the readers of *Pulman's View*.

This is dedicated to EDDC (Everything Down the Drain Club):

*The EDDC's a little perplexed  
What can we take from Seaton next?  
The holiday camp is now pulled down  
How next can we spoil this little town?*

*Let's have a Sainsbury's here we said  
OK you'll get a Tesco instead*

*And does Seaton really need a town hall, a TIC or a hospital?*

*And who needs boats in a charming bay?*

*'Tis a little bit greedy we have to say*

*The fantastic view from Axe Cliff to Beer Head*

*We can curtain off, no boats, they said*

*The youth of the town they need somewhere*

*Oh, the Co-op carpark they can gather there*

*And if anyone's desperate for the loo  
They'll ensure the bushes are all gone too!*

*You've got no station but you have got trams*

*And loads of dog poo for your shoes and prams*

*And no more shelters are coming your way*

*Just stay at home on a rainy day*

*Shop windows, of course, must all look the same*

*The petitions you do, well you do them in vain*

*Cinema, leisure centre you don't need these*

*Just watch TV and run in the breeze  
Our lovely Seaton does not deserve this*

*Let's rise and bloom from this stifling abyss!*

*SOS — Save our Seaton!*

NOW OPEN IN NEW PREMISES IN LYME ROAD, AXMINSTER

An Axminster based clinic's 3D Optical laser Foot scanner and Computer Diagnostic System, some of the most advanced in the world, form part of an innovative service to alleviate foot pain.

Feet can cause us real pain and we may not even know it!

We only have one pair of feet and they take us everywhere so it pays to take good care of them, but most of us don't give our feet a second thought .... that is until they hurt!

Once our feet are hurting most of us have no idea how to eliminate the pain. Untreated this can lead to long term problems, many problems associated with the foot are the result of a faulty relationship between the bones and the muscles of the foot. Misalignment can result in a number of problems, commonly flat feet, persistent ankle sprains, bunions, corns, calluses, even symptoms that one would not normally associate with feet such as stress and pain in the back, neck, hips and knees.

AT HEALTHY FEET CHIROPODY AND PODIATRY WE PRESCRIBE AND ISSUE THE VERY BEST FOOT ORTHOTICS USING THE MOST TECHNICALLY ADVANCED EQUIPMENT AVAILABLE ANYWHERE IN THE WORLD TODAY. OUR 3D OPTICAL LASER FOOT SCANNER AND COMPUTER DIAGNOSTIC SYSTEM IS JUST ONE INNOVATIVE METHOD WE USE AGAINST FOOT PAIN IN OUR AXMINSTER BASED FOOT CLINIC.

SO WHAT ARE ORTHOTICS?

Orthotics, are special footwear inserts that are individually designed and manufactured to ease your pain and discomfort. They promote the proper alignment of the feet, restore balance, improve sports performance and alleviate pain in the knee, hip and lower back.

HOW DO ORTHOTICS WORK?

As your foot sits comfortably on our orthotic it is gently and consistently directed into the optimum position allowing the foot to function correctly when walking, running and standing.

AT HEALTHY FEET CHIROPODY AND PODIATRY OUR PRESCRIPTION ORTHOTICS ARE MADE TO THE HIGHEST STANDARDS AVAILABLE USING MODERN TECHNOLOGY, ARE COMPLETELY ACCURATE AND PROVIDE THE VERY BEST CORRECTIVE TREATMENT AVAILABLE. Our 3D Optical Laser Foot Scanner replaces the need for traditional plaster casting and drawing around the foot, methods still in use today which are messy, inaccurate, costly and utilizing materials of limited life, requiring frequent replacement. We successfully treat many foot conditions but one common foot condition we see a lot of at our Axminster based clinic is PLANTAR FASCIITIS. When your first few steps out of bed in the morning cause severe pain in the heel of your foot, you may have plantar fasciitis (fashee-EYE-tiss). It's an overuse injury affecting the sole or flexor surface (plantar) of the foot. A diagnosis of plantar fasciitis means you have inflamed the tough, fibrous band of tissue (fascia) connecting your heel bone to the base of your toes. You're more likely to get the condition if you're overweight, or if you have a job that requires a lot of walking or standing on hard surfaces. You're also at risk if you walk or run for exercise, especially if you have tight calf muscles that limit how far you can flex your ankles. People with very flat feet or very high arches are also more prone to plantar fasciitis.

The condition starts gradually with mild pain at the heel bone often referred to as a stone bruise. You're more likely to feel it after (not during) exercise. The pain classically occurs again after arising from a midday lunch break.

If you don't treat plantar fasciitis, it may become a chronic condition. You may not be able to keep up your level of activity and you may also develop symptoms of foot, knee, hip and back problems because of the way plantar fasciitis changes the way you walk.

REMEMBER YOUR FEET ARE THE FOUNDATION FOR YOUR ENTIRE BODY. If you suffer from foot pain and/or would like to discuss an assessment please call us at Healthy Feet on

## Reminded of a busy year

ALL Saints and District Women's Institute met for its annual meeting on Tuesday, October 6th.

Members were reminded of the many interesting speakers they had heard, and the varied "extra-curricular" activities they enjoyed during the year, such as meals out together, a potato and pasty lunch, a ploughman's lunch in a member's very beautiful garden, a plant and flower sale, a summer show, an outstanding Christmas concert lunch, as well as various outings.

An outing many will soon be enjoying will be to Slimbridge Wildfowl Trust in November.

The group is now preparing for the Christmas concert on Wednesday, December 9th. These are always very popular with a very varied audience. The next meeting will be held on Tuesday, November 3rd, when Mr L Berry will be taking the group on a walk around Axminster.

## Coffee event raises £378

ON Saturday, October 10th, the Inner Wheel Club of Axminster president hosted a coffee morning in aid of Macmillan Nurses — a very happy occasion in lovely weather and some £378 was raised — so a good start to fundraising this year.

The club is looking forward to helping Axminster Rotary Club at the Royal Marine Concert in the Guildhall on December 4th which is in aid of Help for Heroes and the following week at the Festive Friday celebration in Trinity Square.

# The tale of a rail park

IF it can ever be said that a town is guilty of shooting itself in the foot there is no doubt that, compared with other east Devon towns over the last half century and more, Seaton qualifies at the top of the list.

This was again made clear last week (October 14th) when the new season of monthly lectures for the Devonshire Association's Axe Valley Branch was launched at Colyton's Peace Memorial Pavilion with an historical perspective on the most successful new facility for holiday visitors to the area set up over recent decades.

Telling what he titled 'The Story of Peco at Beer and the Wonderful World of Model Railways', sales manager Steve Haynes said his company now attracted around 70,000 customers a year to its site on the hills

around Beer.

With its steam-driven narrow gauge passenger trains offering spectacular sea and cliff views from the winding track of the Beer Heights Light Railway, its indoor model railway displays, its gardens and play facilities, it is regarded as a godsend by parents and grandparents required to entertain their otherwise bored young at holiday time.

All of this could have developed in Seaton through the post war years, suggested Mr Haynes, after the town was given first refusal by Peco's founding father SC Pritchard.

In this period, the town still had the grand Bay Hotel at the top of the holiday market, the flourishing holiday camp with its mass appeal, a 1930s smartly restored railway station joined to the main line at Seaton Junction and a cinema of the same period.

Now the latest chance of attracting visitors to the town with a Sainsbury's superstore has been unaccountably axed by local planners.

Going back through Peco history, Mr Haynes said that all the credit for its creation and development should go to the entrepreneurship of SC Pritchard.

With his gift for invention as well as salesmanship, he had made himself known, before the war and after London schooling, to the leading British toy manufacturers.

During the war, his energies were mostly diverted to his creation of quick fire fuses used in various fighting weapons.

He was provided with a small workshop in well-hidden Branscombe, where he "kept a corner" for model railway exploration.

In the later 1940s he moved to

Seaton and, with money earned as royalties for such inventions as a twisted metal device serving as couplings for model trains, set up his Peco as a manufacturing business.

He also ensured his national name by buying and publishing the monthly Railway Modeller magazine.

It was then that his development ideas were turned down by the then Seaton Town Council. After which the more sympathetic Axminster Rural District Council accepted his idea of making a model park at Beer.

The transport theme of the new season is maintained with the second lecture, on November 11th, remembering Devon's canal and bridge builder, James Green.

In the new year, railway concerns return with a talk about the history of local lines and the return to a double track with the present construction of "the Axminster loop".

## Club returns after venue refurbished

THE Honiton Afternoon WI has returned to the Methodist schoolroom which has been completely refurbished.

The group is extremely lucky that the meetings are held in such an ideal setting. Members must, however, thank Honiton Town Council for allowing them to use the Senior Citizens' Centre during the upheaval. The first meeting on the group's return to the Methodist schoolroom was by Mrs Parnell who showed members how easy it is to make Christmas wreaths using a wire coat hanger plus various other decorations.

No doubt many members will follow her advice ready for the season.

The Flower of the Month was won by Ann Godfrey, runners up being Jenny Richards and Neelia Day.

The subject for the competition of the month was for a design of a fascinator, which was won by Jill Godfrey, with second going to Ann Godfrey.

Four members attended the Autumn Council Meeting at Torquay. The main speaker was Michael Bowyer, who is an expert flower arranger. He entitled his exhibition The Changing Season which, as the title suggests, showed the four seasons. Words cannot describe the magnificence of the show.

The next meeting will be the annual meeting on November 9th.

## Cartoon drawing is laughing matter

WITH a deft line of a pen and a delightful line in pater, Danny Byrne had members of the Seaton and District Art Society laughing all the way to the end of his demonstration of the art of cartoon drawing at the October meeting at the Methodist Church Hall in Seaton.

As quick with his stand-up routine as with his illustrations, he showed how three circles can be transformed into faces — human and animal, happy and sad, angry and gleeful.

His swift lines turned his characters into furious fellows or bag-laden ladies and his cheery lines of autobiography kept his audience happy.

Despite the illusion that this was all as easy as pie, members were not deceived and they applauded spontaneously when he rounded off the afternoon by producing lightening quick caricatures of the society's Gilly Warner Mills, of Seaton, and Jim Whitelock, of Beer.

Chairman Anna Day-Lewis reminded members to collect their newsletters that warn that without new officers, the society faces collapse. She announced that the annual meeting has to take place a week late on December 14th (not 7th) and that the society will hold a one-day event at Cross Street, United Reform Church Hall, on November 27th, when members of the public

◆ JIM Whitelock and Danny Burne with a caricature of the former

will be able to watch artists at work.

The next regular meeting will take place at the Methodist Church Hall,

Valley View, Seaton, on November 2nd, 2-4pm when Jon Davies will demonstrate pastel portrait painting.

# Landlords have faith in chapel

BY KATE ERIN MEW  
kate@tindlenews.co.uk

**AN east Devon couple have not lost faith in their business, despite the current economic climate. Instead they have introduced to it the village chapel.**

Owners of Ridgeway Country Hotel, Smallridge, Carole and Kevin Baulch have just launched the opening of Chapel Cottage — formerly Smallridge Methodist Chapel — as a holiday let following the purchase of the building seven years ago.

The business-minded pair bought the chapel, which stands directly next to their small hotel and pub-restaurant, from the Methodist Church in 2002 after a lack of use proved it was not worth the church keeping it, but it has been a long project.

Carole and Kevin, originally from Hawkchurch and Axminster respectively, had a vision from the start as to how to incorporate the special building, thought to be built in 1796, into their village business which they have run for the past 22 years.

However, due to the chapel being Grade II listed, it took the couple four-and-a-half years of planning consultation and applications before permission was granted to change the use to holiday accommodation.

The chapel stood as an uncared-for, empty shell when it was bought in 2002, but after a colossal amount of hard work, love for the building and a bit of extra faith, the final product is a fantastic example of how old properties can be lovingly restored for modern-day usage.

Kevin said: "The chapel was built when Methodist numbers were growing and, it is believed, that the inspiration for its unconventional shape like a boat, could have come from Noah's Ark."

"We're very pleased to be opening it today and we have asked a few of the local villagers who used to use the chapel along this morning to have a look — and they seem very pleased that it has been restored and is being used."

The difficult shape, layout and small size of the chapel made for some thoughtful design decisions, but the final result is truly inspirational.

Carole, who designed the interior, said: "I hope that the interior will be a nice surprise for people. We wanted to keep the

original features, of course, but to mix it with a modern twist.

"We have managed to incorporate a lot into the small chapel as well as keep within the guidelines because it is a listed building.

"We went to 12 different builders for quotes. Some didn't even bother to come and meet us, they just wanted the plans sent to them, but this is such a huge project and so important to us and our business that we wanted the personal touch. Plus it was a really tricky project.

"Joe Mew, of D&J Mew Developments Ltd, won the contract on his personality and co-operation. We have had a lot of building done here over the years and I try not to fall out with the builders too much! I didn't fall out with them at all and, I've got to say, I can't fault their work on this difficult building. It is of a very high standard."

D&J Mew Developments Ltd director Joe Mew, of Uplyme, said: "The chapel was a shell when we first saw it three months ago. Because it is Grade II listed everything has had to be within regulations and, of course, we have to follow building regulations.

"It was an unusual job to take on. We are a family business and have worked on some interesting projects during our 16 years within the local area, but this was our first chapel. It's good to see a building like this restored and used again.

"It was a pleasure working for Carole and Kevin — they were perfect clients — and we would like to wish them good luck with their new venture."

The Chapel Cottage holiday let, which sleeps four and has all the mod-cons a visitor could possibly wish for — including washing machine and dishwasher hidden into the compact kitchen — is a welcome accompaniment to the Ridgeway Country Hotel's four ensuite rooms and the stunning restaurant and bar areas, which were refurbished three years ago, in an unsteady economy.

Carole said: "I can't say that we are fully booked all the time but business is constant and steady despite the recession.

"We have waited a long time for this addition and we are so pleased with the final result. And we are welcoming our very first guests to the chapel this afternoon!"

◆ FROM left, John Bird and Joe Mew, of D&J Mew Developments Ltd, hand over the keys to Chapel Cottage to owners Carole and Kevin Baulch at the opening day after a three-month restoration of the church

◆ THE restored chapel's window is the centrepiece in the double ensuite, above. Inset, the cleverly designed kitchen has everything visitors would need

November 2009 is Pet Diabetes Month...

Diabetes is reported to affect up to 1 in 100 dogs and cats, and many experts believe that the disease is on the rise. Nevertheless, in an online survey of pet owners, many respondents were unaware that pets can even get diabetes. Those that were aware were often unfamiliar with the signs and risk factors associated with the disease. The clinical signs to look for are excessive thirst, frequent urination, weight loss despite constant hunger or lethargy. If you have any concerns, or would like a general health check, then please make an appointment to see us.

View from  
the churches

**THE months roll on and as October moves to November at the end of this week, we are in the season of all saints, all souls and remembrance tide.**

All Saints' Day this year falls on Sunday, November 1st and is the day when churches celebrate all Christian saints known and unknown. The earliest reference to such a day is in the year AD373 so it has a long history, although over the years the actual calendar date has been moved from time to time.

The next day, November 2nd, is kept as All Souls Day when churches offer to recall to mind the faithful departed and especially those remembered in our churchyards and cemeteries. This day has been marked since AD998.

Priests of the Latin rite are permitted, unusually, to celebrate three masses on this day. The Mass contains the famous sequence Dies Irae, meaning Day of Wrath.

Then, this year on November 8th, our churches join with the rest of our country and the commonwealth to mark Remembrance Sunday with special services. On Wednesday, November 11th there will once again be gatherings at our war memorials while we observe the two minutes' silence.

On either or both these events, it is usual for the names of the fallen in wars to be read out during the services and ceremonies. The Royal British Legion reports that it is expecting sales of 30million poppies this year at this time.

In the Colyton Benefice, there is a memorial service for departed loved ones at Colyton Church on November 1st at 6.30pm and the names of those to be remembered may be written on

a list at the church. And on the following Sunday, Remembrance Sunday Services are at 10.50am in all churches in the benefice to allow the two minutes' silence to be observed at 11am.

At Axminster, the annual Royal British Legion Remembrance Service will this year be hosted by the United Reform Church in Chard Street starting at 3pm; to be followed by the usual march to the war memorial and laying of wreaths. The almost daily news of deaths in Afghanistan reminds us that war and conflict are still a reality today and the Axminster service will reflect this as well as remembering those who gave their lives during the two great wars and subsequent military action. It will be a busy day for minister Revd Ian Kirby as he will also be sharing the Remembrance Service at Charmouth in the morning.

Linda Chester, Methodist Minister of the Seaton and Bridport Circuits, writes: "When I am driving around this beautiful area or walking along the cliff path between Seaton and Beer, it is always special to see the shafts of sunlight coming in a beam through the trees. Somehow I always feel it is a way of God saying, 'I am here; I am that I am'."

With the clocks changing this week, we are suddenly aware of winter approaching. Many of the people whom she visits spend hours on their own and don't look forward to the long, dark evenings ahead. But even as we move to shorter, darker days, God's 'shaft of light' shines through somewhere in our day. Even on a dark dismal day, He reaches out to touch us with his presence through a smile, a phone call, a kind word or a prayer. When we look for God we will find Him, however unexpectedly. Even

the freshness of the rain can remind us of God's renewing presence. There is always a shaft of sunlight somewhere in our day reminding us that God constantly walks beside us.

Seaton Parish Church sadly reports that after the meeting on November 7th, the Guild of Church Workers will be closing unless new leaders come forward to continue the meetings and fundraising activities. But the Freedom Café at St Gregory's, Seaton, will be operating on November 21st and December 19th from 10.30am-1.30pm and on Christmas Day from 2.30pm for afternoon tea.

All these events are held in St Gregory's Church Hall and include a bring and buy stall and a book stall; there is also a chance to visit the lovely Grade I listed church building. St Gregory's Church, Seaton, has lots of other activities to offer from bell ringing to table tennis to a Julian Prayer Group. Details of these and many other interest groups are given in the St Gregory's Church magazine published monthly, price 50p. Orders can be placed by contacting 01297 551531.

Looking ahead to the beginning of November again, at Colyton, starting on November 3rd at 9.30am, the annual cleaning of the massive chandeliers at the church starts, in readiness later for use at the Christmas festival. Many hands make light work, and all volunteers will be welcome — cleaning materials are provided.

Another advance date for the diary: Southleigh Church is holding a Christmas flower festival on Saturday and Sunday, December 5th and 6th, arranged entirely by Southleigh families with local produce — more details will follow later.

## Rotary club marines gig

A CONCERT with the Royal Marines Band is being organised by the Rotary Club of Axminster.

The concert will take place in the Guildhall, Axminster, starting at 7.30pm on Friday, December 4th.

Rotary president Michael Garratt said: "We are honoured and privileged to have such a prestigious and well-known band here in Axminster performing live at The Guildhall.

"This is a rare opportunity to hear and see the band perform."

Last year the club brought the Treorchy Male Voice Choir to Axminster, and Mr Garratt added: "Axminster got a rare treat that night and it will have another one when the band plays. We are hoping for another sell-out."

All proceeds raised at the event will be shared between Help for Heroes and the Royal British Legion, both of whom do tremendous work supporting troops returning from Afghanistan and other areas of conflict.

Tickets are expected to go quickly. They can be bought at Archway Bookshop, Axminster, and are priced £12 for seats in the stalls and £15 on the balcony.

◆ AXMINSTER Playgroup manager Debbie Fletcher is pictured holding the Ofsted report along with playgroup staff and children

# Smooth running is down to good leadership, says playgroup Ofsted report

AN Axminster Playgroup is well led and managed, and runs smoothly according to an Ofsted report.

Axminster Playgroup underwent an inspection and passed with flying colours, being deemed an overall good playgroup.

Part of the report said: "It is an inclusive provision that successfully meets both the welfare and learning needs of children.

"Behaviour and social relationships are good and children are well cared for.

"Children clearly enjoy the activities provided for them whether it is playing outside on the range of equipment or choosing from planned

learning and development opportunities based on the six early learning goals."

The inspector asked for a review of nappy changing arrangements and a continuation of developing links with the reception class to further improve practice and ensure continuity and progression in learning for all children.

Axminster Playgroup manager Debbie Fletcher said: "Only two items prevented us being graded outstanding — and they are being addressed.

"Staff work really hard on a day-to-day basis and we are very proud to receive the good grading from Ofsted."

## Impressive barn conversion

**A**N impressive and substantial conversion of some elegant buildings of Harepath Farm set on the fringes of Colyford.

The barns are believed to date from the 19th century and are constructed of flint with Beer stone quoins and circular finial on top of the granary roof.

The Linhay and Granary are at present one building but it would lend itself to the creation of an annexe if desired.

A particular feature of this property is the high quality bespoke oak joinery used throughout the conversion including the windows, cills, external and internal ledged doors, staircases, skirtings and flooring on the first floor. The structural woodwork has also been left exposed.

The property features underfloor heating, double glazing and good quality kitchen and sanitary fittings.

The accommodation offers flexible living space with four bedrooms and three reception rooms with an impressive vaulted ceiling in the granary lounge.

This beautiful property is being offered to the market with an asking price of £475,000.

For more information contact Richardson Gill's Seaton office on 01297 23433.

## Prima Moda Brides

**D**URING 2009 Jean Pas, owner of Prima Moda Brides in Ilminster, is celebrating five years in business. Situated in Ditton Street, the business has gained the reputation of offering an honest, personal and professional service.

"Some brides are very apprehensive as it is a big day for them," said Jean, "but after a short while it becomes clear that they are relaxed and only too happy to try on the gowns."

Prima Moda Brides work on a mainly appointment system but all brides are made to feel welcome. They like to show the brides each individual gown and encourage them to try many different styles.

Prima Moda Brides are known for their unique styles, and clients have said that they are impressed with the gowns, which are very different from anywhere else. Brides also want to be remembered on their wedding day for the very special gown they are wearing.

Prima Moda Brides has gone from strength to strength and the number of brides has been increasing each year. This is in part thanks to recommendations from present and previous clients as each bride is made to feel very special.

"Super service and genuine, honest advice, thanks for all your help." This is just one of the testimonials in the visitors' book with cards and photos on display. Brides come from far and wide with weddings being held in

Iceland and America

Sarah Jackson the couture designer for brides, bridesmaids and mother of the bride, is one of the people who alters the gowns, with another well known local designer Sue Hallett and her daughter Laura Tucker.

Irene Morris Memento Tiaras has bespoke tiaras on display and is also offering commission pieces and free hair trials when purchasing a tiara.

Jean has put in 150 per cent to her business over the past five

years and this shows not only in the growth of the business but in the presentation of the shop. People stop to admire and comment on the window displays, all done by Jean herself.

Due to the collaboration with the Shrubbery Hotel, Prima Moda were able to open on Sunday 18th. October. They had an extremely busy and successful day and would like to thank the Shrubbery for their co-operation.

The arrival of new wedding gowns and keeping the stock selling on a regular basis

means that Prima Moda Brides are always up to date and fresh. Still with a unique styles and professional approach Prima Moda Brides is now into a sixth year, with bespoke tiaras and couture gowns.

Formal menswear hire Suited! is now under new management with Les Hallett and Laura Tucker. This service is available on Monday evenings by appointment only.

Prima Moda Brides is certainly the bridal-wear shop to keep in mind.

## Lynnette's Beautiful Brides ...

A big thank you to my beautiful brides, you made my job look easy by looking so good. I love my work and I believe it shows my approach to every wedding and in my style of photography.

From the happy and fun shots of the bride getting ready in the morning to the romance of the happy couple's first dance and all the spontaneous joyful events in between.

It is a real pleasure working with some of the best wedding venues in this area. A special thank you to everyone at Hornsbury Mill – you are great to work with guys. Your venue with the backdrop of the lake and wildlife (who always seem to perform to order) is a photographer's dream. It has also been wonderful working with the Alexandra Hotel in my home town of Lyme – with their beautiful wedding room and the best view of The Cobb – quite exquisite.

The flowers, this year, have been truly stunning. We are blessed with some of the best florists for miles. Teresa at House of Flowers, Busy Bee and Cloud Nine. Thank you girls you have all produced stunning bouquets. And thank you Caroline at La-Di-Da for creating some of the most beautiful and unique wedding dresses ... working with you all through the season has been a joy and I wish you all the best in 2010. For every happy couple getting married next year let's hope the sun shines.

## La-Di-Da

WHETHER the bride sees herself as a sophisticated city girl, a country girl, an ethereal fairy mermaid or if she wants to make a dramatic statement, Caroline of La-Di-Da in Lyme Regis can interpret the dream dress.

Caroline is a true professional, trained as a couturier, she worked in London during the 80s. Her talent lies not only in her instinct for design, shape and colour, but in careful attention to detail.

Caroline has also worked closely with an Eton tailor, making historical costumes and learning techniques which are invaluable and can be adapted for today's gowns.

Caroline has created gowns for brides from Rome, Paris, Stockholm and all over England.

Having a dress designed and made for you is indeed a unique experience. Caroline works closely with you, tuning into your personality, body shape, venue and budget. She spends time sourcing fabrics from around the globe, drawing inspiration from rich brocades, sumptuous velvets, fine silks and lace.

Once a design, fabric and budget are established Caroline makes a toile - an exact replica of your design so you know, without a shadow of doubt, how your design will look. At this stage the design can then be altered.

From here Caroline can go directly to fabric and, as your outfit comes to life it is a truly exciting experience.

La-Di-Da also creates truly unique mother-of-the-bride and mother-of-the-groom outfits, ball-gowns, prom dresses or something for that special birthday or anniversary, or maybe just because!

## Harrimans

HARRIMANS men's and boys' wear with branches in both Chard & Ilminster provide an excellent service in Formal

Hire as well as all the traditional, casual and fashionwear for which they have built up a reputation over the last 100 years.

With hirewear supplied by Ultimate Formal Hire, we have a huge range of jacket styles, waistcoats and accessories to choose from, but if there is something specific that they do not offer we have a huge supplier base to try and source it for you.

The first stage of the process would be to choose which jacket style and colour you would like, then select a waistcoat pattern from the vast range supplied and match accessories to finalise the look you are after.

When the groom is happy with his choices, a try on can be arranged to make sure the correct items have been selected.

Secondly, any other members of the party will need to be measured and

orders completed.

Lastly the suits arrive approximately two weeks before the wedding, fittings arranged, and any adjustments can be organised for that perfect fit.

Whether it is to buy or hire Sam and her team will guide you through the process of choosing the outfits you require with as much or as little help as you want, to ensure you have as easy and stress free time as possible on the build up to your big day.

## Square & Compass

Set in the grounds of the very popular Square and Compass Inn, surrounded by fields, The Barn is now well established as a top weddings venue.

Built four years ago out of old-fashioned and reclaimed materials The Barn is now the number one choice of venue for couples wanting a more relaxed and informal wedding.

The Barn is, as it sounds, a country-style building full of rustic charm with heavy wooden tables

and chairs, wooden floors and flagstones. For the evening there is a dance area and stage with powerful sound and light rig. There is a fully licensed bar, modern toilets and disabled access in all areas. The Barn has a civil licence for weddings.

Weddings at The Barn are always generous and very relaxed with very very good food.

All weddings at The Barn end in a party.

## The Wheelwright Inn, Colyford

Runners up at the Great British Pub Awards, The Wheelwright Inn, Colyford are planning to go one better next year.

The Wheelwright Inn travelled to the Great British Pub Awards evening in London last month where they were finalists in the Best Food Pub category.

A seven-strong team from the pub showed they were the best in the west having won their regional phase of the competition but finished runners-up at the national awards.

Despite not going all the way joint licensee Gary Valentine was very pleased and is already looking forward to having another crack at it next year.

It was the first time the pub entered the competition making the achievement even greater. Gary said: "It's good for the first year to achieve this."

"It gives us new hope for next year and we will see if we can win it."

"It [the awards ceremony] was at the Park Lane Hilton and it was a superb night."

## Lakeview Manor, Dunkeswell

THE hotel formerly known as Fishponds is now Lakeview Manor, the name has changed, but the view remains the same. Set in 45 acres of parkland, the secluded lake and the tranquil surroundings are unchanged.

The food and service are outstanding. The locally-brewed Otter ales are full of character and flavour. The lake is well stocked with carp, tench, rudd and perch and the local golf courses are challenging.

Most importantly, there's always a warm welcome at Lakeview Manor...some things

never change.

The restaurant has recently been refurbished so what better place to go and relax and enjoy an exceptional meal. One thing you can come to expect from Lakeview Manor is fantastic value, the new Sunday Carvery is no exception. With one course at £7.95, two courses for £10.95 and three courses for £13.95 you will not be disappointed.

Starting Monday, October 26th Lakeview Manor are offering a new menu filled with delicious food to tempt you. Starters such as Wild Pigeon and Pear

All main courses are served with New Potatoes, Chips or Dauphinoise Potatoes and Seasonal Vegetables. The Desserts are just as tempting, you could try the Poached

Pears, White Chocolate Ice Cream and Vanilla Syrup, or the Apple, Gooseberry and Honey Crumble with Vanilla Ice Cream or Custard. There is plenty on the menu for the little ones too with a great children's menu including Spaghetti Bolognese or 4oz Beef Burger and Chips. Also on the menu, Sandwiches, Grills and Sharing Plates.

## Busy winter season at Cloakham Lawn

## Pink Night at Seaton Town Football Club

SEATON Town Football Club hosted a 'Pink Night' on October 16th to raise money for Breast Cancer Care. Bev Ledger, Kim Abbott, Sharon Rooke, Louise Bond and Becky Cottam put a huge amount of effort into organising the event.

Over 130 ladies attended and all made the effort to wear something pink! The night included a disco, karaoke, raffle, lucky draw and pink cocktails. There was also an entertaining performance of the YMCA by Ollie Morgan, Dave Clarke, Owen Clarke and Ben Ede!

The organisers would like to thank all who attended and helped make the night such a great success, a total donation of £1836 was raised.

## A Christmas Carol as you've never seen it!

SEATON Drama Group are proud to announce (by popular request - of course!) the return of the Farndale Avenue Townswomen's Guild to Seaton Town Hall. Those who were lucky enough to witness the visit of the Martians to Farndale Avenue in June 2007 will remember the mayhem caused to, and by, the Guild members. This time their "Dramatic Society" will be attempting to perform 'A Christmas Carol' - with hilarious results.

Performances in Seaton Town Hall from Thursday 19th to Saturday, November 21st at 7.30pm. Cabaret style seating. Tickets at £7.00 are available now from Animal Botanical, Queen Street, Seaton, telephone 01297 20404.

**The Cast:** Marilyn Sibley, Debbie Bradley, Liz Redstone, Phil Christmas and Beverley Hammett

## Top ABBA tribute coming to Axminster

ABBA tribute band Abba Gold have been performing for over 13 years, having played over 2200 shows, to over 2 million people, as well as the millions of people who have seen them during various television appearances. On their last tour Abba Gold sold out more than 80% of the venues they played.

Their largest audience was 93,000 people when they headlined a massive festival in Aberdeen in 2001. Also on the bill were the Sugababes, Gareth Gates, Darius and Hear'say.

Abba Gold are proud to say that they sing and play live at every show. They create that Abba sound with all your favourites plus those long forgotten album tracks that only the true Abba fans will remember.

All costumes in their tribute band have been meticulously recreated. The Abba Gold show includes a minimum of 8 costume changes, really illuminated by their fabulous lighting engineers using pyrotechnics. They have their own sound engineers on tour with them to recreate that special Abba sound.

Abba Gold adapt the show to cater for all types of venues however big or small and always ensure a party atmosphere. Previous venues have included theatres, leisure centres, hotels, nightclubs, and open air festivals throughout the UK and abroad. They have also shared the stage with Darius, Gareth Gates, Slade, Steve Harley, Liberty X, Atomic Kitten, The Sugababes and many more.

As well as live musical performances, Abba Gold also enjoy regular television appearances and radio broadcasts. Their latest television appearance was earlier this year on the BBC. The program was called 'Get Your Dream Job'.

## WESTCOUNTRY JAGUAR

### Independent Jaguar & Daimler Specialist

**Tel: 01404 891999**

*Passionate about Jaguars for over 39 years*

**W**ith 39 years of experience looking after Jaguars, Derek Lee has brought his skill and passion to Dunkeswell. Derek provides the ultimate care in Jaguar repair and maintenance at a competitive price on a one to one basis.

Derek has been based in London where in 1976 he left his employment with a Jaguar main dealer agent to become one of the founding partners in Leeborn - a family based business, which even then was centred around Jaguars. Having become the business's driving force, and developed it into a highly respected Jaguar and Daimler sales and service centre, the company then moved to new purpose - designed, fully equipped premises and renamed the company D.A. Lee. Derek's workshops have been designed to his own specifications and equipped with the very latest in computer diagnostics so that the care and maintenance of Jaguars and Daimlers was simply the best.

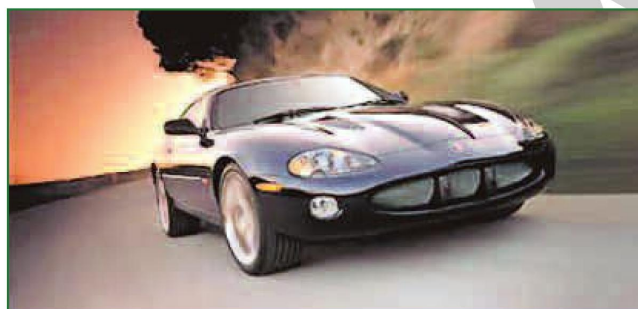

Derek Lee is not a man who accepts second best. He honed his winning formula in the competitive world of motorcycle racing. In six years Derek won more races than he can remember and three championships. Derek invested in the right equipment, employed the right people to tune and maintain his race bikes so that they were always in peak condition and absolutely reliable, he then added his own determination and drive. He is using that same formula to provide Jaguar and Daimler owners with the best independent maintenance and repair facility in the area.

Derek has looked after many customers from all parts of the globe - from all over England, Israel, Italy, Sweden, France and Scotland, some who still have their cars brought down to the brand new premises in Dunkeswell, like a Series II V12 Coupe which Derek has looked after for 32 years. Some of Derek's old London based customers having moved to the West Country, and after learning Derek is based in Dunkeswell, are coming back to re-establish service on their Jaguars.

Derek has the latest and best equipment money can buy in his workshop. From the computerised engine diagnostic and tuning unit to an air-conditioning maintenance machine, which also cares for the environment - no refrigerant is released into the atmosphere.

D.A. Lee is fully equipped to carry out all maintenance and repair work on Jaguar or Daimler cars. D.A. Lee offers the best independent and personal Jaguar service with all work being carried out to Jaguar specifications and schedules, using genuine Jaguar parts and top grade Oils. Regular reports keep you in touch with your car's progress and Derek will also consult you before carrying out any unexpected work. All this comes at a much cheaper price than a main dealer. Whatever your Jaguar needs, D.A. Lee is able to provide a service second to none.

Call Derek Lee now on 01404 891999 "Your one to one personal Jaguar emergency service".

### CUSTOMER TESTIMONIALS

*Hi Derek,*

*Just to say thank you for the recent work carried out on my Jag. Everything is perfect and as I was so impressed with your service I will, without hesitation, use you again and will also recommend you to others.*

*R&P.S. Axminster*

*Thank you for servicing the X type. Moving to another garage is always a risk, but I just wanted to say how impressed I was with the whole experience of moving away from a main dealer to you. From the very first phone call to getting the car back was fantastic, a level of service that one really only dreams of these days, certainly five star plus.*

*And to top it all, the cost of the service was realistic with no nasty surprises or unexpected expenses attached. It was a true pleasure to deal with a craftsman who knows his trade and is passionate about Jaguars. Thank you.*

*M.K. Honiton*

*Dear Derek Lee,*

*I write formally to put on record the excellent work done for maintenance and overhaul of my S Type Jaguar. The car feels like new again and is a pleasure to drive.*

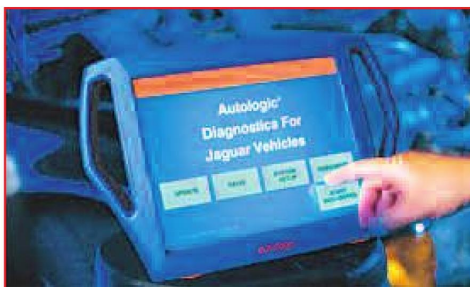

*I cannot speak highly enough of the cleanliness and order, both of your workshops, and of my car when returned. All the work was of a very high standard and was carried out with the manufacturers spare parts and at substantially lower charges than at a main dealer. I would not hesitate to recommend your work to other owners.*

*T.McC, Wick, Honiton*

*Dear Derek,*

*I was delighted with all aspects of the service I received from Derek Lee at West Country Jaguar. Derek's in-depth knowledge of all things Jaguar and his speedy and expert diagnosis of the problem I had with my X-Type left me a very, very satisfied customer indeed. This was in contrast to a number of visits to various Jaguar main dealers which have left me often frustrated and occasionally less than happy with the service I received. On return, my car was valeted to a high standard and has since been running beautifully. What more can you ask! All my own words!*

*M.M. Wilmington*

## AXE VALLEY RUNNERS

STEVE Reynolds and Geoff  
Woodward completed the National  
three peaks challenge and so were  
attracted to the Dorset three peaks  
challenge called 'the Stickler', a 10.1  
mile event organised by the Dorset  
Doddlers.

The race consisted of 1500ft of  
climb, including the Stickler path;

500ft of one in three just over a mile  
from the start.  
Both were pleased with their runs,  
Geoff finishing in 1hr 30mins and  
Steve taking 1hr 37mins, but they  
were handicapped by a local super-  
market having Eccles cakes on spe-  
cial offer.

### AXE CLIFF with Janet Dack

THE final inter-club  
match of the Seniors'  
season took place last  
Monday - the return  
match with Libbaton  
G.C. Amazingly this  
ended exactly as the ear-  
lier encounter at High  
Bickington in a 3 v 3  
draw. The winning pair-  
ings for Axe Cliff were  
Chris Walker and Liz  
Malcolm Glass : Gilbert  
Cox and Peter Motson  
and Rob Grove and John  
Mant.

Axe Cliff finished the  
season unbeaten at home,  
winning on eight occa-  
sions and drawing three  
times. Having won  
three of the ten away fix-  
tures, a total of 11 wins  
and four draws out of 21  
matches, the team has  
completed the best year  
for quite some time,  
well done to all partici-  
pants.

On Friday the October  
Stableford was played in  
excellent conditions but  
attracted only a modest  
field of 28 members.

In a close finish the  
vice-captain Gilbert Cox  
(19) held out to win with  
36 points, one ahead of  
Norman Bowles (22)  
who claimed second  
place with 35 points.  
Three players carded 34  
points with third place on  
the inward half ruling  
going to Derek  
Williamson (24) with  
Malcolm Glass (18) and  
Bryan Dale (22), the two  
players to miss out.

The main club played  
in almost summer condi-  
tions for the October  
Stableford. In Division  
One captain Steve  
Anning (11) won with 41  
points. Second was  
Alex Todd (8) with 39  
points and third was Phill  
Hellier (12) with 37  
points.

Division Two was won  
by Trevor Part (17) with  
39 points, second was  
Jerry Russell (19) with  
36 points and third was  
Norman Bowles (22)  
with 35 points.

The Ladies played a

friendly match at Axe  
Cliff against Sidmouth  
Golf Club this Monday  
and were very happy to  
win. On Monday they  
were due to play away at  
Sidmouth so lets hope  
they can repeat their per-  
formance.

The winning pairings  
for Axe Cliff were Lady  
captain Chris Drew and  
Hazel Williamson,  
Sandra Walker and Liz  
Wheeldon and Margaret  
Brown and Janet Dack.

On Wednesday, in Gale  
force conditions, the first  
round of the Winter  
League was played as a  
15 hole Stableford. The  
winner was Barbara  
Cummings (26) with 29  
points beating Liz  
Wheeldon (25) on the  
back nine ruling.

### HONITON with Paul Dimond

FRIENDLY Rivalry is a  
short phrase which often  
sums up some of the  
favourite golf matches  
played here at Honiton  
and the Gentlemen have  
experienced it two week-  
ends in a row.

Last Weekend the  
Annual Devonians ver-  
sus Foreigners match  
was staged in almost per-  
fect golfing conditions.

It's become increas-  
ingly difficult to find true  
home grown talent, with  
the criteria for Devonian  
qualification stretched to  
it's tenuous limit, but 30  
men mustered under the  
Devonian banner to eek  
out a well earned half.

The trophy was collect-  
ed however by  
Foreigners captain Roy  
Bumpstead, who retain it  
as current holders.

This Weekend saw the  
annual Captain versus  
Vice Captain match, with  
a packed field playing in  
shirt sleeve order and in  
the best spirit of the  
game. As in many a  
recent year Club Vice  
Captain John Stabb  
emerged triumphant with  
a close run 9 to 7 victory.

**Senior Section**  
LAST week saw the  
appointment of new  
Seniors Captain Ben

Laité.

He started his season  
with a Stableford com-  
petition attracting 90  
entries on the only day of  
the week without rain or  
wind, a good omen for  
the new regime. Division  
Two was a close run  
thing with four of the  
five top scores equal on  
36 points.

In order these were  
Chris Street, David  
Coombs, Chris Chalker  
and Alan Bacon. Topping  
the table however was  
George Smith with an  
excellent 39 points. The  
First Division also pro-  
duced a clear winner  
with Angus Falconer  
accumulating 42 points,  
5 points ahead of Vic  
Wood on 37. Peter  
Morgan and John  
Fleetwood on 36 points  
and Bob Bilyard on 35  
points filled the remain-  
ing prize spots.

### Ladies Section

SATURDAY a small  
field of Ladies played the  
EWGA Medal. The win-  
ner was Sarah Loader 98-  
23-75 and runner-up  
Diana Gee 100-20-80.

This Wednesday the  
Ladies played their annu-  
al Lady Captain v Lady  
Vice Captains match.  
The format was 4BBB  
Matchplay with over 40  
Ladies taking part.

There were some close-  
ly fought matches but all  
played in very good spir-  
it. The Lady Captains  
team lost and so Captain  
Sue Selway presented  
Elizabeth Ward with the  
trophy.

captain John

## HONITON HAWKS HOCKEY

### Honiton Hawks 1 Newton Abbott 3

ANOTHER quite demanding game for  
Honiton as the team travelled to South  
Devon for this weekend's League fixture.

Following numerous thwarted attempts  
by both sides to open the scoring, eventu-  
ally it fell to Honiton's Sophie George to put  
the first mark on the score board when  
Karen Arnett and Dawn Mayo passed the  
ball to and fro between them before it  
found its way to Sophie George, whose  
connection with it ensured the ball hit the  
backboard in no uncertain terms. And that  
is the way the score stayed throughout the  
remainder of the first half.

Into the second half it was the home side's  
turn to equalise and add a further 2 goals;

although the final goal was hotly disputed  
as having been struck outside, rather than  
inside, the circle by the Newton Abbott  
player. Never the less the goal stood, and as  
no further goals were scored the home side  
had secured a clear win by the final whistle.  
Player of the Match: Julie Reed

Practices continue with ECVH at  
Cullompton Sports Centre on Tuesday  
evenings. Training takes place between  
8:00pm - 9:30pm, with transport being

7:30pm. If you would like to come along

## Rugby round-up

AFTER a week that had seen more than its fair share of rain, I donned my Wellingtons to cover Honiton's game against Topsham at Allhallows. In fact there was not too much choice for me as all other sides, save Crewkerne, were playing away from home, either in their various leagues, or in cup competitions.

In the event though, several games fell by the wayside. Chard first team were without a fixture as were Honiton seconds and Bridport seconds.

Dorchester could not raise a full complement of front row players and did not travel to Swindon for their Intermediate Cup round, and may well have to concede.

Crewkerne in the league, and Both the Bridport and Weymouth first sides in their cup games, recorded wins however.

**HONITON 41pts TOPSHAM 19pts**

ALLHALLOWS was a shade greasy for this Devon League game, and there was a gusting stiff breeze blowing diagonally up the slight slope. The home side chose to face the slope in the first period and really could not have got off to a better start.

A Topsham midfield in the Honiton twenty two was hacked on by the home side. Possession was retained and Lock made some good hard yards into the visitors' twenty two. He was finally checked but offloaded to his narrow side winger Rice who was up in support. He made the line and touched down some five yards in from touch.

The try remained unconverted and, having taken the lead, Honiton tended to dither a little and their opponents got a score back before the game was ten minutes old when they kicked a penalty after Honiton had stepped offside at a ruck on their own twenty two, and in front.

In fact the next few minutes belonged to Topsham and they spent much of the time in Honiton's territory. They took the lead before the game was fifteen minutes old with a converted try, after Honiton had lost a heel against the head on their own twenty two and their back row had been found wanting.

Honiton came back however, and had levelled the scores at 10-10 by the end of the first quarter. Having taken up position in the visitors' twenty two, they drove several times through their pack before releasing the ball to Wilson who had found space on the narrow side and he crashed over in the corner.

The Topsham kicker was kicking well from tee however and he regained the lead for his side with a penalty goal from the ten yard line, some fifteen minutes before the break.

Although conceding too many penalties, Honiton went back on to the attack immediately and, although Topsham held their first few initial thrusts, eventually, after one of the home centres had stayed on his feet well after contact, they recycled from the ensuing maul and skipper Hannay got over by the posts. This score, converted by Gilbert, gave the home side a 17-13 lead.

They continued to infringe however and the Topsham kicker slotted a penalty goal in the final minutes of the half to take his side to within a point, at 17-16.

Honiton would probably have been the more confident at this stage, although they had little real cause to be. They

did lead and would have the slope in their favour in the second half. They had to face the breeze however, and a kicker who would make them pay if they infringed.

I thought that it was essential that Honiton scored first in the second period and they did so. They attacked from the off and, from a lineup in their opponents' twenty two, they drove close to the fringes and then sent the ball wide and prop Barry Lock, who had hung out, got over some ten yards in from touch.

They got another unconverted score soon after when, from a set scrum inside the Topsham twenty two, number eight Hannay combined with Nex and put the scrum worker over some ten yards in from touch. This score took the scoreline to 27-16 but, almost immediately, Honiton's penalty count came back to haunt them when the Topsham kicker reduced the arrears with his fifth successful kick of the game.

Honiton, I thought, put the issue beyond doubt on the hour. A good offload by Lock put de Large clear inside the visitors' twenty two and he scored by the posts. Nex added the extras and, at 34-19, Honiton were well clear. Topsham were wilting a little at this stage and, in the final ten minutes, de Large, who had, I thought, over used the crash ball on the inside line throughout the game, contrived a delicate chip inside their twenty two. It fell into space and he followed to touch down his second of the game between the posts. Nex's conversion kick was again accurate and it completed the scoring.

Although winning comfortably in the end, Honiton will be concerned about several aspects of their game. Their makeshift back row did not let the Topsham midfield know their whereabouts quite as they should. Their penalty count was too high and they missed a few tackles in the midfield.

Their fitness levels seemingly were better than those of their opponents however, and one should not really carp too much at a seven tries to one scoreline.

**HONITON JUNIORS****HONITON COLTS 0 OKEHAMPTON 29pts**

THE Honiton Colts' original fixture against their Bideford counterparts fell by the wayside and a friendly game against a useful Okehampton side was hastily arranged. Unfortunately for Honiton they were several players short and, although they had by far the better of matters forward, they did not have the expertise outside the scrum to capitalise on the possession they won.

**HONITON U 14s 5 EXETER CHIEFS U14s 37**

THIS contest was certainly closer than the score suggests, after the first ten minutes anyway. Honiton were 21 points adrift at that stage but came into the game subsequently and gave a pretty well as good as they received thereafter. Their try was scored by John Hurford and the Man of the Match was Daniel Denslow.

**TAUNTON U 13s 7pts HONITON U 13s 31pts**

THE first-half of this game was a pretty scrappy affair and ended with the scores even. Strong words were then digested with the half time oranges and Honiton played much better in the second half, scoring tries through Richard Webber (two), Man of the Match Finn Parrott, Connor Long and Ben Kidson. Harry Wright kicked three conversions to complete the scoring.

**CREDITON U 12s 7pts HONITON U 12s 56pts**

HONITON scored eight tries in this good team performance. Steve Turner scored three, Angus Meadows two and Tom Holmes, Scott Eveleigh and Ben Willis, one each. Ben Willis and Liam Crawford were voted joint Men of the Match.

**CREDITON U 10s Nil HONITON U 10s 20pts****CREDITON U 10s 5pts HONITON U 10s 15pts**

HONITON played two games at this level and won both of them, scoring tries Oliver Perez (two), Harry Todd (two), Ben Phillips, Eithan Seymour and James Turner. Oliver Perez was named Man of the Match.

AGAIN two games were played with Honiton losing both on this occasion. Emily Lee and Thomas Ferry scored tries for Honiton in the first game and the same players, together with Riley Burgess touched down again in the second.

**Emily Lee was voted Player of the Morning.****HONITON U 7s 5tries WITHYCOMBE 6tries.****HONITON U 7s 6tries WITHYCOMBE 7tries.**

Again Honiton were just edged out in both games with Sam Steele scoring a hat trick of tries in the first game, and Kade Bralsford and Ryan Walters also getting on the score sheet. Man of the Morning Sam Steele scored four tries in the second game, with Ryan Walters crossing the white-wash twice.

**ST MARY'S OLD BOYS 7pts SIDMOUTH 8pts**

THERE was a strong wind blowing diagonally across the Old Boys' ground and Sidmouth were given the advantage of it in the first period.

They were on the defensive from the start however due to the fact that they were being disrupted in the set scrums by the home pack and, as the wind was making the lineouts a lottery, they found it difficult to win useable possession. They defended well however and, although their opponents held the initiative, with their out half pulling the strings, no scores came.

In fact the game was half an hour old before Sidmouth made a telling attack. Trim initiated it and his offload found Hannay who was checked just short.

After several minutes of Sidmouth pressure, during which time they spurned chances to kick at goal, preferring to go for tries, the home side cleared and ended the half on the attack.

Sidmouth would not have been too confident at this juncture and even less so when St Mary's took the lead within five minutes of the restart when they scored a try that was converted. Their stand off had made a good break and, although he was tackled short of the Sidmouth line, the ball was recycled and one of their props was driven over. At this point things looked bleak for Sidmouth but they were given an opportunity immediately and they took it. Their restart was knocked on and they were awarded a set scrum on the right.

A blind side break followed and they then proceeded to go through the phases, recycling well. A ruck in front of the posts followed and some quick hands put Finch in space. His inside pass found Channing who got over in the corner. The try remained unconverted but a penalty award gave

Sidmouth a chance to take the lead in their next attack and Channing was up to the job and gave his side an 8-7 lead. There was still half an hour left for play and the odds were still with the home side. Their pack did run out of steam just a little in the final quarter but, with their out half still kicking adroitly they spent most of their time within penalty goal range.

The inevitable penalty was finally conceded by Sidmouth in injury time and a few nails were probably bitten as the home place kicker lined up. His effort drifted wide however and Sidmouth held on for what was the narrowest of wins and certainly a most important one.

**PREVIEW**

THE league programme continues for both local clubs on Saturday next, and both have games that could materially affect their respective seasons.

SIDMOUTH play fellow strugglers TORQUAY at home and will certainly be targeting to win this one. The visitors lie just above the Blackmoor Brigade in the South West League Division One League table, and a win would gather two very precious league points for the side that gets it. Everything points to the result being a close one, but I tend to think that Sidmouth will make home advantage count, although it is certainly too early to say that their early season problems are behind them, with any confidence.

HONITON take the road to league leaders TOTNES who remain unbeaten in the Devon League North and East so far this term. These opponents obviously deserve every respect for, although they do not appear to be a particularly expansive and thrusting outfit, they do win games.

Their ground too is one where local knowledge will count for quite a bit and Honiton will have to be at their best if they are to take the home unbeaten record. A win is by no means beyond them however, although much will depend on their injury list.

Sidmouth also take on Torquay at second and third team level, and would, I guess, pay good money if they could be guaranteed a clean sweep in wins.

Both Honiton seconds and colts take on their Exeter Saracens counterparts and will certainly be guaranteed hard games against these opponents. Sidmouth Colts make the long journey to Bideford.

Note: Now that the clocks have gone back, games will generally start at 2.30, a fact that has certainly caught me out in the past!

## FOOTBALL RESULTS, FIXTURES AND TABLES

## Devon &amp; Exeter League

SEATON Town, unbeaten since manager Josh Stunnell took over last season, floored Feniton from the Premier division 5-0.

There was only a goal in it at the break but after that the Colyford Road team dominated. Robbie Fellingham was their first half scorer, followed by Richard Durrant 2, Darren Whitehouse and Cameron Vere the man of the match.

Cup holders Clyst Valley came to life against Thorverton in their second round tie winning 3-0 with all three goals coming in the first half. The game was a repeat of the final last May, but whereas that went to extra time, Thorverton were gonners by the break. Reserve team players Josh Barlow and Kai Feller were two of the Valley scorers the other goal coming from Matt Wreford.

Halwill beat Sidbury Utd 2-0 in the other second round tie after being outplayed in the opening half an hour. Lee Parsons and Jimmy Sowden were the Halwill scorers.

Two goals in the last ten minutes gave Alphington a 3-2 win at Beer Albion. The Alphas winner was from manager Russell Newcombe whose Dean Jordan with a penalty and Mark Brown scored earlier. Luke Bartlett and Ian Beavis scored for a dejected Beer who felt they were the better side throughout.

Sidmouth Town the current Premier leaders had to work hard to beat Cullompton Rangers 2-1. Dan Norman and Ben Ashford were the vikings scorers with Jamie Cottrell getting a deserved consolation for the Rangers.

Colyton won an extraordinary Bill Snee cup first round tie at Lymptstone 8-4 after conceding a goal in just 30 seconds. It was 7-3 at the break and just two goals scored after that. Paul Millman had a hat-trick for Colyton, while Richard Tratt and Callum Somers scored twice. Dale Evans and Andy Lowe both scored twice for Lymptstone.

Kyle Hall scored the two goals that gave Newtown their 2-0 win against Seaton in the last three minutes of extra time.

Axminster won 7-2 at Dawlish Town in the other game played.

## MATCH REPORTS

Tedburn St Mary 2 Offwell 5.

OFFWELL continued their impressive start to the season with another fine away win 5-2 at Tedburn St Mary.

Against a strong wind in the first-half Offwell took the game to their opponents and lead 2-1 at the break, both goals coming from Jamie Doidge.

In the second-half they blew Tedburn away with some top quality football and fine finishing from Lewis Couch (2) and Andy Lord.

Despite several injuries to key players and some absences they produced a very good performance. Manager Nick Ogden was impressed and said: that's as good as we have played in my time here and especially with the weather conditions I thought we looked superb today.

The goals were all finished well and the work rate from the lads earned this result, they ran themselves ragged". Jamie Doidge and Lewis Couch got special praise and Ogden thought Jamie Couch making his debut in goal showed plenty of promise.

## East Devon Cup

**Silverton 1 Beer Albion Reserves 3**  
BEER started the first-half in disastrous fashion going a goal down after a misjudgement between goalkeeper and defender.

Despite trailing at the interval it didn't take long for Beer to come back and they soon took command with a Callum Gribble penalty, a Rex Kirby 40-yard free kick and a second from Gribble.

Kirby was top man for Beer.

## STOKE GABRIEL 1

## AXMINSTER TOWN 3

Report by Jon Jameson

The Tigers, still without four players, moved up to eighth position in the league and only three points off the leaders after beating second placed Stoke Gabriel.

Axminster, hoping to build on their last two wins, had a slight change to their formation with midfielder Alex Wheatley playing just off front man Sam Dibling, and this was put into good effect in the 10th minute when a through ball found Wheatley who burst through the Stoke defence and volleyed home from 25-yards.

There was much between the two sides and Stoke levelled the score in

**JACK VENN CUP ROUND ONE**  
UPLYME'S hopes of getting their name on the trophy for the first time ended with a 3-1 defeat at the hands of visiting Shepton Beauchamp.  
Youngster Adam Neale gave the hosts the lead but Kris Hastings levelled before the interval. Injuries to Neale and skipper Steve Gillan then disrupted the Swallows and Shepton pounced on a couple of errors from keeper Lloyd Cleal, who had earlier made two top drawer saves.

**PREMIER**  
THE Charmouth supporters have witnessed an incredible 66 goals in eight games. The Robins latest goal-fest, a 6-4 home defeat by Barrington, has left manager Mike Walton and his side three points adrift at the foot of the table.  
Charmouth certainly played their part in an incident-packed game and led twice before surrendering two late goals.

Shaun Meyers moved up to nine for the season with two more for the hosts for whom Dan Rendall also scored twice.  
The Yellow Hammers goals were shared between Kev MacDonald (2), Adam Gribble (2), Craig Steel and Ivan Sadd.

## Perry Street League round-up with Howard Lacombe

Beaminster still top the pile following a 2-1 win at Crewkerne Town. Lyme Regis' sixth straight win has seen them ease quietly up into third spot.

The Seaside's made the trip to Perry Street on the back of last week's 9-0 victory over the same opponents in the Coronation Cup quarter-final.

This week the hosts, with an obvious point to prove, held their infom visitors for half an hour before midfielder Ben Whittington bundled the ball home from close range.

Danny Prendeville sealed the win with a crisp right foot volley on 55 minutes but Lyme, who gave a league debut to French midfielder Julian Simier, couldn't add anymore goals their performance warranted in a game ravaged by the fierce wind. Top performer for the visitors was defender Dom Rowe.

Despite the claims of Beaminster and Lyme Regis, South Petherton remain the pick of most PSL followers as eventual League Champions. Pethy recorded their fifth six-goal haul of the campaign as their swept aside Combe Reserves 6-1 at Lightgate Lane.

**DIVISION ONE**  
FARWAY United ended a three game losing streak and moved up to fourth with a comfortable 3-1 win at Chard Rangers who look to be in for a long hard season.

The Devonians dominated the first 45 and went into the break with game won at 3-0 courtesy of strikes

Stuart Perry, Ben Williams and an own-goal.

**DIVISION TWO**  
A NECK injury suffered by Peter Hoare required a visit by the Devon Air Ambulance in the Millwey Rise's 3-2 win over Hinton at First Avenue. Thankfully Millwey manager Shane Featherstone confirmed on Sunday morning that all was fine and Hoare had only suffered bruising.

The game was held up for half an hour as paramedics attended to the young Millwey striker who had earlier scored his side's first goal to cancel out Neil Hawkins' 20th minute opener for the Saints. Hoare struck eight minutes later and his side edged ahead through an own goal in the 37th minute.

Mike Traynor levelled things up in the 55th minute but the Slopers maintained their 100 per cent record and moved six points clear at the top when Mark Pike clipped home the winner 15 minutes from time.

Norton Athletic are themselves five points clear from the pack in second place after a 5-1 win at Drimpton.

**DIVISION THREE**  
THE top two teams strengthened

their promotion hopes with routine victories. Crewkerne Rangers remain second after a 4-1 win at Misterton Reserves.

League leaders Hawkchurch ended a run of 13 games without a clean sheet when they beat visiting Millwey Rise Reserves 2-0. After a goal less first-half Tim Hussey put the Hawks ahead with his 11th goal of the season. The win was sealed when Peter Hall unluckily put through his own net soon after. Top man for Hawks' boss Nigel Harding was midfielder Steve Real.

Despite claims to the contrary Lyme Bantams were only boosted by the inclusion of two Reserve teamers, Ally Rattenbury and Fred Thomson for their trip to Combe A.

And it was Rattenbury who had a hand in the game's only goal when his corner was headed into his own net by Clive Westlake.

## YOUTH FOOTBALL ROUND-UP

**Honiton U9s v Twyford Madrid (0-9) and Barca (1-0)**

HONITON u9s beat Barca 1-0 thanks to the persistence of the team hammering away at a resolute defence with Kelsey Pulman scoring late on. Ben Moulton, Danny Ruel and Dylan Nicholas were ever reliable and man of the match goes to Rowan Westall. Earlier, Madrid demonstrated a classy performance of passing and positional play to win 9-0. Despite the scorelinegoal-keeper Luke Ward made many good saves.

**Feniton U11s 3 Kentisbeare 8**

A GOAL in each half from Portuguese signing Samuel Cortinhas couldn't save Feniton from defeat at the hands of visitors Kentisbeare.

Despite Tom Lawrence King's well executed goal for Feniton, the visitors nudged ahead 2-3 on the half time whistle.

In the second-half Kentisbeare pulled out all the stops with a fine display of five goals.

International support for the home team (in the form of Cortinhas' Grandma visiting from Portugal) was rewarded with a fine display of passing from one end of the pitch to the other, a move culminating in a deserved second goal for Cortinhas.

**FENITON U13s 10SEATON 2**

LIAM Barribal hit five goals as Feniton came from a goal down to beat Seaton 10-2.

Seaton scored in the first few minutes but it wasn't long before Barribal ran into the box to side-foot home a Jack Ainsworth cross. A few minutes later Barribal scored a second with some clever footwork and neat volley.

It was equally tight for the first 10 minutes of the second-half until Billy Penwarden ran through the Seaton defence to make it 3-1. After that Feniton knocked the ball around with confidence creating some great moves and further goals came from Jo Turl (2), a second from Penwarden and Jack Ainsworth scored a wonderful goal from the edge of the area, his first for Feniton.

Barribal completed his hat-trick when he rifled in a low left foot shot just inside the left hand upright, and added two more before the whistle to take his tally so far this season to 14.

Seaton scored a second at 5-1 down when they cleverly beat the Feniton off side trap.

With no subs all 11 Feniton players had to work extra hard and much deserved this comprehensive win.

## East Devon Short Mat Bowls

IN the only evening match Musbury took over the top place in Division One with a 5-3 home win.

In the afternoon Awliscombe A gained a point at St Teresa's, but stay second while the home team move up to third place. Travellers did well in this division as Upottery won away 5-3.

In the second division Musbury's afternoon team started with a 7-1 home win, the 46 shot margin being enough to move them to second place; Sidford's first home game gave them a 6-2 victory and fifth place.

## HONITON GYMNASTS WIN GOLD

TEN-year-olds Ashley Wallis and Buster Titcher came back from London clutching gold medals last weekend, after taking the top spot in the grade 1 men's pairs event at the 'Spelthorne Invitational' competition.

The two boys, who were competing against partnerships from seven clubs in the London region, scored 25.93 out of 30 - the highest mark in their event - beating a pair from the host club into second place.

Ashley, from Honiton, is a pupil at Farway primary school, and Buster, from Lyme Regis, attends Charmouth primary school. The pair, who earlier this year won a silver medal in the inter-regional finals of the preparation grades, are coached by Honiton Gym Club senior coach Pam Burns. The boys were rewarded with first position after performing an exceptionally 'crisp' routine.

And the boys weren't the only ones to display Honiton's gymnastic talents in London. National trio champions Valentine Titcher, Shaylee Moore, and Jes Kennaway, brought back a silver medal in the 11-16 age group, closely followed by Rachel Palfrey, Lauren Forsyth and Georgia Rooke who finished in fourth position. Both groups performed double somersaults in competition for the first time.

In the 11-16 girls' pair event, Lauren Davey and Sarah Hodgkinson took the bronze medal, finishing with 27.60 out of 30 - their highest ever score in competition.

Other Honiton gymnasts that performed at the competition showing great promise for

the future.  
Helen Naylor, high performance coach at Honiton Gym Club, said: "Spelthorne is the UK's number one acrobatic gymnastics club, boasting a host of world and European medallists, so it was an honour for us to be invited to compete in their invitational competition. Our gymnasts performed excellently and we're exceptionally proud of them - particularly Buster and Ashley who wholeheartedly deserved their victory."

"We're seeing and increasing number of boys join the gym club, as they're particularly interested in getting stronger, learning acrobatic skills, and discovering the basics of tumbling, so hopefully there'll be more success stories in the near future." Any boys or girls that would like to find out more about acrobatic gymnastics at Honiton Gymnastics Club can contact Helen Naylor on 07825 181693 or take a look online at www.honitongymclub.org.

## Bampton edge past JD

**HONITON NETBALL LEAGUE**

WASPS continued their winning ways with a win over Tip Top Trees Oaks.

The first quarter was fairly even with Wasps just in front 13-9. However over the second and third quarters Nichola Field at GA for Wasps got her eye in and going into the third they were comfortably in front 35-18.

Louise Garman rallied the Oaks and they did enough to hold on for a point as the game finished 45-24 to Wasps.

Conway Visions met Complete Meats in the other early game, the first quarter Visions won 8-3 and they continued their pressure throughout the game controlled by Jill Hall at C.

Complete Meats continued to work hard and Nicky Vile was shooting well and they did more than enough to earn a valuable point, the final score was 37-24 to Visions.

Uplowman have had a good start to the season and have pushed some of the top teams with some close finishes and after the first quarter it looked like their meeting with Keeleys was going to be another close affair when it finished 7-6 in Keeleys favour.

However Keeleys really stepped up for the rest of the game, impressively lead by Denise Meyers at GS and finished winners 39-17. Andrea Britton was the pick of the bunch for Uplowman.

**Division Two**

THE meeting between Lyme Bay and Sidmouth Toucans was fairly close although Toucans were in the lead throughout, 9-4 was the score at the end of the first quarter.

Sarah Sparks helping her team maintain this lead. Going into the final period they were leading 23-12 and Lyme Bay were close to ending the game with nothing

however Harriet Secrett for Lyme spurred her team on and they outscored Toucans in the final period. Toucans came out on top 28-18 having done too much in the previous quarters but Lyme held on to a valuable point.

Tip Top Trees Acorns met a CMC side playing with one player short. Acorns had control from the start and Dani Wakely was in fine shooting form, at the end of the third quarter Acorns were leading 31-2 despite some fine play by Julia Mallon for CMC.

Unfortunately disaster struck for CMC with one of their players getting injured and unable to continue playing. They decided to forfeit and the game was abandoned with the score of 31-2 to Acorns standing.

JD Tyres have not had the best start to their season but they can take heart from an improving performance against Bampton.

At the end of the first quarter JD were in front by one goal 7-6. Bampton then pulled away a little in the second and were 13-8 in front going into the third period.

The scoring was even in this quarter and they began the final period with Bampton leading 17-12.

Again the scoring was even in the final period finishing with a final score of 21-16 to Bampton, JD doing enough for a well deserved point. Claire Kingdon was the star for Bampton whilst Helen Freemantle shone for JD Tyres.

**Results, Division One:** Wasps 45 Tip Top Trees Oaks 24, Conway Visions 37 Complete Meats 24, Keeleys Angels 39 Uplowman 17.

**Division Two:** Lyme Bay 18 Sidmouth Toucans 28, Tip Top Trees Acorns 31 CMC Birds 2, Bampton 21 JD Tyres 16.
